

From: BGE

Subject: Find out "watt" happened because of your energy savings!

Preheader: Thanks for being part of the PeakRewards program.

An Exelon Company

a BGE SMARTENERGY savers program

You made our year!

You made a difference.

We applaud BGE customers like you who stepped up to reduce energy usage this past summer. By using less energy, you helped us manage peak electric demand — reducing the need for additional power plants and keeping Maryland a beautiful place to live. **Keep up the energy savings next year.**

Here's some Rewarding News[®].

Thanks for another great year. See the impact of your efforts:

SET MY PREFERENCES

Continue the savings.

Take advantage of rebates.

Keep your savings growing with rebates up to \$500 on qualifying appliances, lighting and heating/cooling equipment.

VIEW REBATE

Get ready for winter.

Before cold weather hits, you can install faucet aerators and efficient-flow showerheads, and adjust your hot water heater to 120°F to help reduce hot water usage.

THIS EMAIL WAS SENT BY BGE

Get ready for winter.

Did you know that water heating accounts for about 18% of home energy consumption? Before cold weather hits, you can install faucet aerators and efficient-flow showerheads, and adjust your hot water heater to 120°F (the low setting) to help reduce hot water usage.

FIND MORE WINTER SAVINGS TIPS AT BGE.COM/RN-SAVE.
