

From: BGE

Subject: Open now for rewarding news about your energy savings!

Preheader: Thanks for another successful summer of savings.

An Exelon Company

EmPOWER  
MARYLAND

You made our year!

## Small efforts lead to big energy savings.

We applaud BGE customers like you who stepped up to reduce energy usage this past summer. By using less energy, you helped us manage peak electric demand — reducing the need for additional power plants and keeping Maryland a beautiful place to live. **Subscribe to event notifications so you'll get an early warning ahead of PeakRewards<sup>SM</sup> cycling events and Energy Savings Days next summer.**

### Get ready for winter. ❄️

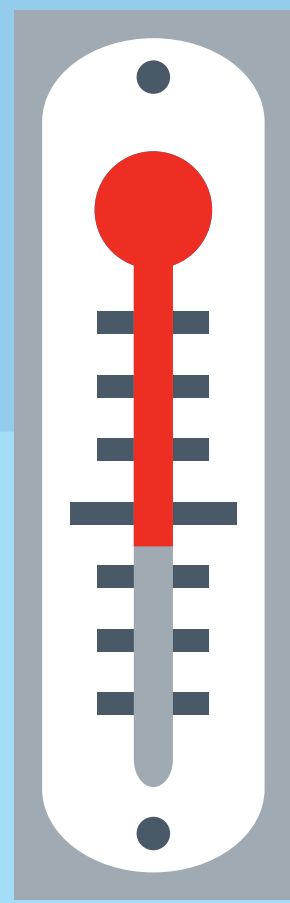

Did you know that water heating accounts for about 18% of home energy consumption? Before cold weather hits, you can install faucet aerators and efficient-flow showerheads, and adjust your hot water heater to 120°F (the low setting) to help reduce hot water usage.
