

Your 2021 Rewarding News® is here.

The 2021 season for Energy Savings Days is coming to a close, and we appreciate all who participated. Together, more than 851,000 BGE customers helped reduce the amount of electricity used when the demand for electricity was at its highest — helping avoid power interruptions, maintain reliable service and keep down the cost of electricity for everyone.

Join us again during next year's Energy Savings Days!
