ENERGY STAR®
Certified
Pool Pumps

Get pumped for big savings this summer! BGE offers a \$400 rebate on select ENERGY STAR certified pool pumps.

When you choose ENERGY STAR certified appliances, you'll enjoy more than just energy savings and outstanding performance. With rebates from BGE's Smart Energy Savers Program®, you'll save on the purchase price too!

Dreaming of relaxing summer days in the sun? Make sure your pool is ready! A properly installed and maintained high-efficiency pool pump can help you lower your energy use and save money.

Upgrade today and get a **\$400 rebate** on qualifying variable-speed pool pumps.*

Why switch your pool pump?

ENERGY STAR certified models:

- Use **70% less** energy than standard pool pumps.
- Can save up to **\$350 per year** on energy costs.
- **Run quieter** and prolong the life of your pool's filtering system.

Not all ENERGY STAR certified models qualify for a rebate. Find out if your appliance is eligible at BGESmartEnergy.com/PoolPumps.

*Rebate amount is for select ENERGY STAR certified appliances. Pool pump must be 0.5 horsepower or larger. Details such as rebate amounts and eligible appliances are subject to change at any time. One pool pump rebate per customer address. Rebate not to exceed total purchase price. Program is subject to change without notice.

Rebate Eligibility Requirements

- Rebates are available to all BGE residential electric customers, regardless of electric energy supplier.
- Rebates are limited to one ENERGY STAR certified pool pump per BGE household, purchased after January 1, 2018, and while funds are available. Rebate amounts and eligible appliances are subject to change at any time.
- Not all ENERGY STAR certified models qualify for a rebate. Ineligible models will not receive a rebate. Check appliance eligibility at **BGESmartEnergy.com/PoolPumps**.
- Rebate application must be postmarked no later than 30 days from purchase date.
- Rebate application must be accompanied by proof of purchase, including a copy of the dated sales receipt with model number, and a copy of your recent BGE electric bill.
- The rebate paid will not exceed the purchase price of the appliance.
- Installations must comply with all federal, state and local code requirements.
- If you are purchasing an appliance for a BGE account in your tenant's or landlord's name, visit **BGESmartEnergy.com/RenterLandlord** for an additional form required along with this rebate application.
- Customer applying for rebate must be a BGE "customer of record" living at the address noted on the application.

Fill out completely. All information is required.

Incomplete forms will delay or disqualify your rebate.

For a shorter rebate processing time, submit your rebate application online at **BGESmartEnergy.com/PoolPumps**.
