Smart Thermostat Rebate

Terms and Conditions

- Rebates are available to BGE residential electric customers, regardless of electric energy supplier.
- Customer must have a heat pump, gas furnace, gas boiler and/or central air conditioning unit to be eligible for a rebate.
- Rebates are limited to a maximum of three qualifying ENERGY STAR® certified smart thermostats per BGE household, purchased after January 1, 2018, and prior to December 31, 2020, and while funds are available. Rebate amounts and eligible appliances are subject to change at any time. Ineligible models will not receive a rebate.
- Rebate application must be postmarked no later than 30 days from purchase date.
- Rebate application must be accompanied by serial number and proof of purchase, including a copy of the dated sales receipt with model number, and a copy of your recent BGE electric bill.
- The rebate paid will not exceed the purchase price of the thermostat.
- Thermostat must be purchased in Maryland, or the buyer must demonstrate having paid the applicable Maryland sales and use tax.
- Thermostat installations must comply with all federal, state and local code requirements.
- If you are purchasing an appliance for a BGE account in your tenant's or landlord's name, visit BGESmartEnergy.com/STREnterLandlord for an additional form required along with this rebate application.
- Customer applying for rebate must be a BGE "customer of record" living at the address noted on the application. The rebate application must be filled out completely. All information is required. Incomplete forms will delay or disqualify your rebate.
- Funds for rebates are limited and available on a first-come, first-served basis. Rebate amounts are valid while funds last.
- Customer agrees that BGE may include his/her name, BGE services and resulting energy savings in reports or other documentation submitted to BGE and/or the Maryland State Public Service Commission. BGE will treat all other information gathered in evaluations as confidential and report it only in the aggregate.
- The confidentiality of data pertaining to individuals will be protected in accordance with BGE privacy policy.

This program supports the EmPOWER Maryland Energy Efficiency Act.
